Statement from Mayor Healy on Arrest of Double Homicide Suspects

“Once again, we want to recognize and applaud the efforts of the Jersey City Police Department, the Hudson County Prosecutor’s Office, and all of the other law enforcement agencies involved in bringing these violent offenders to justice,” said Mayor Jerramiah T. Healy. “This was the worst type of violent crime – a homicide involving a stranger on stranger – and was an act of pure and random viciousness. When I received word this morning that these brutal killers had been apprehended, I know I felt a bit of relief as I am sure the entire community did. This tragedy has touched the lives of so many, and knowing these killers are behind bars is the first step in the healing process for our city.”
